

# MARS AIR CURTAINS KEEP CONVENIENCE STORES CLEAN, PEST-FREE, ENERGY-EFFICIENT AND PROFITABLE

## CHALLENGES IN THE CONVENIENCE STORE ENVIRONMENT

- Repeated door and window openings introduce exterior air
- Flying pests, dirt, debris and odors diminish clean
- Cold storage units struggle to maintain temperature
- Refrigerated merchandising cases struggle to maintain consistent temperature
- Profitability reduced with elevated energy spends
- Staff productivity diminishes with exterior air and unprotected doors

**Maintain the profitability from your open-air cases with Mars.**

Studies affirm, open cases sales are typically 50% higher, and in some cases as much as four times more than other display models.

## MARS PROTECTS THE CONVENIENCE STORE AT EVERY OPENING

- **Receiving Doors**  
Keeps refuse-driven flying pests out so foodservice areas stay cleaner
- **Cold Storage Box**  
Keeps product protected with consistent temperature
- **Open Air Merchandisers**  
Protect refrigerated product from exterior air and temperatures with entrance door protection.
- **Customer Front Entrances**  
Keeps flying insects out & conditioned air in
- **Car Wash Systems**  
Expedite vehicle drying times with a powerful stream of protective air.
- **Lavatory & Bathrooms**  
Mars UVC™ takes on the toughest odors and amplifies sanitation
- **Refuse Areas & Trash Coolers**  
Odorous refuse and compactor areas are neutralized with Mars UVC™ that tackles VOCs and strong, lingering odors
- **Pass-Thru Windows**  
Repel infiltration of old outside air and vehicle exhaust fumes from entering open windows

1. Realize VOC odor reduction and germicidal care with Mars UVC™ units that offer a 99.99%-100% surface kill rate to eradicate pathogens and realize superior sanitation. 2. Provide an invisible shield to stop incursions of dust, debris, fumes and odors while keeping pass-thru window staff comfortable and productive. 3. Reduce costly climatized air loss with heavy door traffic using a strong obstruction-free flow of air. 4. Protect cold storage units and keep temperatures consistent for longer product shelf life. 5. Keep grab-and-go sales high with open air cases while maintaining refrigerated product quality using Mars at the entrance to stop incoming air. 6. Vehicles dry quickly and process faster with Mars protection.
